 - iii. The Purchaser shall give the bull every opportunity of proving itself a stock getter throughout the guarantee period, and shall, if required, allow a Veterinary Surgeon to examine the bull on the Vendors behalf, and in addition shall if required, allow the Vendor to remove the bull in order to prove the bull a stock getter, such proof to be the decision (which shall be binding on the parties) of a Veterinary Surgeon to be mutual agreed upon by both Vendor and Purchaser or in default of agreement to be appointed by the Auctioneers.

 - b. The expense of such test shall be borne by the Purchaser (see condition 15) and transport.
10. Keep: Will be under General Condition of Sale of Wallets Marts Castle Douglas Limited.
11. Where animals are sold for export and are kept by the vendor until shipping space is available in the absence of written agreement to the contrary, the Vendor shall keep the animal free for six weeks from the date of the sale and thereafter shall be entitled to the cost of keep in accordance with the Conditions 10.
12. The particulars shown in the catalogue are furnished by the Vendor and are believed to be correct, but the Auctioneer accepts no responsibility for any mistake or error therein. Vendors must intimate before or at any time of the sale any mistake or misprint in their entry.
13. No undertaking of the Auctioneers or their servants to take charge of any animal after the Sale, or to forward to its destination, shall be held to impose upon the Auctioneers any legal obligation or vitiate any of the foregoing conditions.
